Economical Custom
Continuous Concrete Borders

Residential & Commercial

**Clean, Creative
& Contained.**
...your cost &
time-saving
answer to
trimming &
weeding.

CurbKing's answer to wood & plastic edging provides an attractive, maintenance-free, permanent enhancement for landscaping gardens, patios, driveways, walkways & flower beds. This superior curb barrier prevents weeds, grass & roots from spreading while keeping in mulch & rocks. Mower & tire friendly.

We use the latest technology that is of the highest quality, durable and colourfast yet affordable. Installation is fast & clean - usually 1/2 a day and we guarantee our work. We even have franchises.

Perfect for home or business - before or after paving...parking lots, golf courses, parks, warehouses, repairs, drainage, fence or property lines, builders, architects, property managers... adds value to your property.
